

Youth Learn to Play Hockey Gear Rental

Gear rental is available through Sports and Fitness Outlet, located at 1407 Maiden Lane (in the Home Depot parking lot), 509-888-3957.

In order to offer affordable prices, the rental gear will be pre-bagged, based on size. Participants are asked to use the gear that is provided in each bag and not request individual pieces to be exchanged. If individual pieces of gear do not fit properly, program coaches will assist with equipment adjustment. Skates will be fit to individual participants.

Cost is \$30 for the participant's first session and \$15 for each session thereafter. Please contact Sports and Fitness Outlet if you choose to extend your gear rental. If the participant grows out of his or her gear during the session and it must be replaced, it will be considered a new gear rental and \$30 will be charged.

Gear should be picked up using the dates below for the 2011-2012 seasons.
